*Atmosphere Resorts & Spa*

Built in the middle of an old, seven-acre coconut plantation, Atmosphere is a luxury resort that's set along the scenic coast of Dauin, Negros Oriental. It's a place that lets you get in touch with nature, offering activities like swimming with the whale sharks and going across the surrounding islands. A luxury spa and fine dining options add much to the charm as well. Atmosphere has won several awards, including ones from Trip Advisor and *Property Report*.
