ATMOSPHERE RESORTS & SPA

We look forward to hosting your wedding or wedding reception at Atmosphere Resorts & Spa. As one of the largest and most luxurious resorts and event venues in Negros Oriental, we know that you will have a lovely time. Whether a small intimate dinner for your closest family or a grand wedding for 100 guests, we are happy to accommodate. This FAQ gives you a brief idea of our fees, venues and add-ons. Please contact us for additional questions or modifications to suit your wedding needs.

FAQ

your wedding ATMOSPHERE RESORTS & SPA

Contact

For bookings or additional information, contact us at enquiries@atmosphereresorts.com and specify if you are interested in a resort take over or a small intimate wedding (see below).

Venue fee

We cater to two types of weddings at Atmosphere: Either small exclusive weddings with maximum of 30 guests, where we require a minimum of 6 rooms to be booked over night. We also cater to large weddings, where we require a complete resort take-over of all rooms and only held during our lower season between May and September.

Our standard wedding venue fees for 2023 are:

1-30 guests	75.000 PHP
Resort take-over, 1 night	1.200.000 PHP
Resort take-over 2 nights	1.000.000 PHP
Resort take-over 3 nights	800.000 PHP

The venue fee is added on top of other event expenses, such as food catering, room nights etc.

We do not accept bookings for peak season dates (Christmas, New Year, Chinese New Year and Holy Week). Contact us for your preferred dates well ahead of time.

Event venues

We have three roofed lunch and dinner venues at Atmosphere: Ocean restaurant, Breeze restaurant and the Treehouse. Ocean can hold up to 50 guests and Breeze can hold up to 100 guests, whereas the Treehouse only accommodates up to 10 guests. If you are looking at performing the wedding ceremony at Atmosphere, we can also offer a beach location or a garden location for the actual ceremony. If you wish to only book an outdoor uncovered venue, we recommend a dome or a tent - at least on standby - in case it rains.

Wedding planner

We highly recommend the use of a professional wedding planner. In order for your wedding to go ahead as planned we will only agree to host small, simple and intimate weddings without a wedding planner, which would include the standard amenities and décor of Atmosphere. We are proud to provide the venue(s), the food and drink catering and the service of Atmosphere and our staff, but we do not act as wedding planners.

Catering of food and drinks

Catering is our area of expertise, and for weddings hosted at Atmosphere, we will do the catering for you. There is a vast selection of food and drinks, and we would like to stress that menus and details can be changed to suit your taste and the requirements of your wedding party. We offer a food tasting as part of your pre-wedding experiences - enquire for food and wine tasting rates. We offer either a served buffet, a family style meal or a plated (à la carte) meal, and we also have canapés, pica pica snacks, wedding cakes, wine, champagne and drink packages.

Corkage fee for food and drinks

We do understand if you wish to bring your own wedding cake, lechon, or wines that we do not stock. A corkage fee of 2000 pesos per cake or lechon will apply, and there is also a fee of 1000 pesos per bottle for bringing your own wine. We suggest that you look at our cakes and wine before deciding on your own. We can also provide the lechon. Any other food or drink will be provided by us.

RESORTS & SPA • PHILIPPINES

Rooms and room rates

We require that small wedding parties book at least 6 overnight rooms. For weddings with more than 30 guests, we require a complete resort take-over and will charge for all rooms.

Overnight stays

Staying overnight after a wedding is a luxury the newlyweds and their close family and friends should consider. It is also a welcome option for other event guests, as well as organisers. We have room types suitable from 2 guests up to 6 guests per room, with a maximum of 44 rooms.

We offer the following discounts on rooms in combination with weddings:

- ❖ 5 rooms or more: 10% off the room rate
- ❖ 10 rooms or more: 20% off the room rate
- ❖ 20 rooms or more: 30% off the room rate

Please enquire with us for the current room rates and note that the ONE card discount does not apply to weddings.

Day Rooms

For weddings with a large entourage or multiple suppliers, we highly recommend the use of a day room for the preparation, holding of material, as well as for the team's personal effects. The rate of such a holding room for the day is 50% of the overnight room rate.

Furniture & decor

For the reception lunch or dinner, as well as the potential ceremony, we can set up the event using the furniture (tables and/or chairs) in either of our restaurants. For events requiring multiple venues to be used or with a large number of guests, we may ask you to provide/rent additional chairs. We have a basic bamboo wedding arch that can be decorated and used for the ceremony at no additional charge.

PA-system

At Atmosphere we are aware that our other guests are looking for a peaceful stay. We are therefore careful with accepting events that require a big and loud PA-system or LCD screen. We have Bose-speakers that can be connected to microphones. We will only allow a bigger sound system during a resort take-over so as to not bother other guests. We can arrange the sound system, or you can choose to bring your own.

OPTIONAL LUXURY ADD-ONS

We can make your wedding reception as special and as glamorous as you want, and the choice of luxury add-ons is endless. Contact us for any of the following or other requests.

- ❖ Your personal signature cocktail
- ❖ Luxury Spa take-over
- ❖ Sunset cruise
- ❖ Wine bar or/and Wine tasting
- ❖ Champagne tower
- ❖ Fire pit and torches
- ❖ Whisky tasting
- ❖ Bride & groom arrival by boat

ADDITIONAL INFORMATION

We have a back-up generator, WiFi and a parking that holds 20-25 cars. We can also organise valet parking and a larger parking lot for an additional fee
