

Thank you Negros Oriental!

In 2021, we created the **ONE** card for residents of Negros Oriental, as a thank you for the support during the pandemic. For only 1000 pesos, card-holders receive up to 50% discount on room rates. The card also gives benefits to day guests, with longer stays for "Swim & Dine", lower rates and a chance to win great prizes at the monthly raffle. The ONE card is personal and only available for residents of Negros Oriental. Ask us for more details!

You can purchase the ONE card on arrival for 1000 pesos, and it will be valid immediately. The card is personal, and we will ask for a government-issued ID on purchase, as well as during check-in, to prove that you are a resident of Negros Oriental. To avail of the benefits, we will require one card per room for overnight stays and one card per four adult guests on "swim & Dine" packages.
